

Says

What have we heard them say?
What can we imagine them saying?

I feel that certificate increasing learners'confidence ,poise,and self-esteem.

I imagine that a female fighter who dominates proper technique remains calm and in control of herself,can overpower a larger and stronger male in debate which the certificate too make them proud.

I heard that debate is better than denial.

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

They only argue in their dreams when there is a lack of communication on both ends of the spectrum,usually when these feelings are not being reciprocated.

They need clarity and relevance.

They hope that debate certificate will helps more in future.

VICTORIA

A good debater is a good speaker,a good thinker and a good convincer with war of words

I observed that their behaviour of finding resources,drafting and writing a speech and being able to listen and confidently speak to get a good certificate.

I imagine to give a appealing certificate to motivate them.

I observed that good points of them to support a debate topic which states that a certificate make a good debater.

They feel nervous before getting a certificate in debate.

Other feelings might influence their behaviour by curiosity.

They became frustrated when they didn't receive a certificate.They fear about thier future for the absence of certificate in their experiences.These made them anxiety.

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
